Dear Hiring Manager,

I am interested in the Photography Intern position at the San Francisco Giants. I am a highly motivated college student with a passion for the technological and media arts.

The opportunity presented is one of great interest to me as a Visual Arts Speculative Design major and San Francisco native. I believe that my experience with DSLR cameras, and my knowledge of Adobe Creative Suite and Microsoft Office programs will make me a competitive candidate. I am confident that despite my lack of work experience, my skills and knowledge of the photography field are proficient.

Thank you for your time and consideration. Please see my resume for any additional information regarding my experience. I look forward to discussing the photography intern position at the San Francisco Giants. I can be contacted via email at fakeemail@gmail.com, or by cell phone at (012)-345-6789.

Sincerely,
